

Parkland Home Solutions

 +91 8603 860 860

About Us

We are professionals in turnkey project management services with proven expertise in interior decoration. We do have our own state of the art Modular factory @ Thrissur. We had successfully done the projects with the prescribed time and with specified quality.

Kitchen Interiors

The kitchen is the busiest space in a house. Our Kitchen Products listing allows you to express yourself within your kitchen.

Dining Interiors

We provide one of the best dining room interior designs that absolutely matches the client requirements and tastes.

Bedroom Interiors

Every space has a unique character and identity. Our talented interior designer understand your needs on your bedroom interiors

Living Interiors

A living room is often a hub of the home, so making it a space that caters to everyone who will be using it is also very important

Office Interiors

Our interior designers, supervisors and project managers collaborate to create innovative office spaces which accurately reflect your company's brand values and culture

Our Factory

Our factory is fully occupied with imported high quality german machineries like Edge banding, Hotpress, Cutting, Boring ect...
